Become a Barrie RFC sponsor!

Barrie Rugby Football Club, member of Ontario Rugby and Canada Rugby, is a proud club that continues to grow in popularity around the region. We are volunteer run, with a deep passion for providing an exciting and inclusive sport to youth and adults.

The club has a rich history providing competitive teams, who have flourished, playing all over Ontario. This year we are extremely grateful to reach the clubs 50th Anniversary. Since its Inception in 1967, Barrie RFC has continued to grow in numbers, while always remaining a very close-knit and social club. We boast several hundred players from as young as 4 years old, up to some Men's Team members who may never stop playing!

Barrie RFC offers competitive rugby throughout the spring, summer and fall, with off-season training during the winter.

Our club consists of 12 highly competitive teams. We currently offer youth co-ed non-contact rugby from under 6 to under 12, junior competitive rugby from under 14 to under 18, and additionally 3 Men's teams and a Women's team.

Last year we absorbed two local clubs, Orillia and Georgian Bay, to boost Barrie Rugby. We cover the entirety of Simcoe County, reaching north of Orillia, West of Collingwood and Alliston, and South of Bradford.

We are currently seeking partners and sponsors from local businesses to help support the growth, development, and success of our club and all of its players.

What does your contribution go towards?

Any funds that the club receives will go towards the following;

- Help subsidize registration fees for players who are struggling financially.
- Help maintain our new "Jim Hamilton Field" which continues to be one of the best in the province
- Aid in our annual operation costs such as field rental, referees, physiotherapy, etc.
- The commitment to develop children, youth and young adults through sport with the goal that no one is left out.
